Conference Presentations

Craig Anderson

Current acute stroke management in China: results of the ChinaQUEST study. Stroke Society of Australasia Annual Scientific Meeting. Perth, Australia, October 2007.

Big studies to address the big questions in sleep apnoea – What is needed to successfully mount a large-scale RCT? 10th International Sleep and Breathing Meeting. Cairns, Australia, September 2007.

Issue of management of hypertension in acute stroke. Neuro-Event 2007. Melbourne, Australia, August 2007.

Blood pressure lowering. Is it safe? 5th Annual Stroke Unit Heads' Meeting. International Brain Research Organization (IBRO) Congress of Neuroscience. Melbourne, Australia, July 2007.

Practical issues in stroke. Australian and New Zealand Association of Neurologists Annual Scientific Meeting. Alice Springs, Australia, May 2007.

Acute stroke treatment patterns in China. 4th Asia Pacific Congress Against Stroke (APCAS). New Delhi, India, March 2007.

Blood pressure and stroke. 7th Biennial Convention of the ASEAN Neurological Association (ASNA). Phetchaburi, Thailand, March 2007.

Temporal stroke onset patterns in patients with obstructive sleep apnoea – results of the Auckland Regional Community Stroke (ARCOS) Study. International Stroke Conference. San Francisco, USA, February 2007.

Kate Anderson

Making the list: decision making about patient suitability for kidney transplantation in Australia and Canada. Comet 2007. Fifth Interdisciplinary Conference on Communication, Medicine and Ethics. Lugarno, Switzerland, June 2007.

Federica Barzi

Which single anthropometric index of obesity is the most useful at identifying diabetes within populations in the Asia-Pacific region. 2nd International Congress on 'Prediabetes' and the Metabolic Syndrome. Barcelona, Spain, April 2007.

Alan Cass

Government regulation and payment systems for renal replacement therapy. Plenary presentation. Taiwan Society of Nephrology Satellite Symposium of the International Society for Peritoneal Dialysis. Taipei, Taiwan, November 2007.

Cost-effective chronic disease treatment – targeting global risk to prevent death and avoidable hospitalization. Plenary presentation. Australian Health Insurance Association Conference. Melbourne, Australia, October 2007.

The cost-effectiveness of targeted screening for chronic kidney disease. Plenary presentation. International Chronic Kidney Disease Summit – the need for action in Australia. Sydney, Australia, July 2007.

Multidisciplinary management of complex chronic disease – the case for an absolute risk-based management strategy. Rural Health Education Foundation Satellite Broadcast. Sydney, Australia, June 2007.

John Chalmers

Blood pressure lowering with fixed combination of perindopril and indapamide prevents death and vascular events in type 2 diabetes: The ADVANCE trial. Annual Scientific Meeting of High Blood Pressure Research Council of Australia. Adelaide, Australia, December 2007.

ADVANCE study: morbidity and mortality results. Sixth Joint Meeting of the French and Italian Societies of Hypertension. Rome, Italy, October 2007.

Results of the ADVANCE study: benefit from intensive blood pressure control. XXIV National Congress of Italian Society of Hypertension. Rome, Italy, October 2007.

Advances in reducing the burden of vascular disease in type 2 diabetes. The IV Franco-Australian Meeting on Hypertension. Kakadu, Australia, September 2007.

High blood pressure: facts, fiction and the Franco-Australian connections. The III George Everard Memorial Oration. Annual meeting for the Australian Section of the French Order of Merit (La Legion d'Honneur). Sydney, Australia, September 2007.

Publications and Presentations

Rationale, study design, study population. Satellite symposium on prevention of cardiovascular events in diabetic patients: The ADVANCE Study. European Society of Cardiology (ESC) Congress 2007. Vienna, Austria, September 2007.

Managing hypertension: messages from recent trials. 55th Annual Scientific Meeting of the Cardiac Society of Australia and New Zealand. Christchurch, New Zealand, August 2007.

Blood pressure and stroke prevention. Royal Brompton Hospital, Imperial College. London, UK, March 2007.

Managing blood pressure: messages from recent trials. St Mary's Hospital, Imperial College. London, UK, March 2007.

New perspectives in the treatment of the diabetic patient. The ADVANCE Study. 12th Meeting of the Spanish Society of Hypertension. Seville, Spain, March 2007.

Clara Chow

Metabolic abnormalities amongst 4,535 Indians from a developing region of rural Andhra Pradesh. 55th Annual Scientific Meeting of the Cardiac Society of Australia and New Zealand. Christchurch, New Zealand, August 2007.

Leonie Crampton

The good, the bad and the NICE. Australian and New Zealand Intensive Care Society (ANZICS) Clinical Trials Group Research Meeting. Noosa, Australia, March 2007.

Lalit Dandona

Estimating HIV burden in India. Keynote address. XIII Annual International Continuing Medical Education Program by University of Chicago Hospitals: HIV Update. Hyderabad, India, September 2007.

Liz de Rome

Trends and issues: motorcycle crashes in NSW. Australasian College of Road Safety Seminar: Improving the Odds. Sydney, Australia, November 2007.

Simon Finfer

Does hypothermia improve outcome from out-of-hospital cardiac arrest? Annual Scientific Meeting in Anaesthesiology. Hong Kong SAR, November 2007.

Fluid resuscitation practices: The SAFE study and others. Annual Scientific Meeting in Anaesthesiology. Hong Kong SAR, November 2007.

Intensive insulin therapy in the ICU: the jury is still out. Annual Scientific Meeting in Anaesthesiology. Hong Kong SAR, November 2007.

Use of albumin in critical care. Swiss Society of Intensive Care Medicine. Interlaken, Switzerland, November 2007.

Update on the NICE SUGAR study. Invited Conference on Tight Glycaemic Control. Center for Safety and Clinical Excellence, Cardinal Health. San Diego, USA, June 2007.

Clinical role of albumin in the critically ill. Plenary presentation. Society of Critical Care Medicine's 36th Critical Care Congress. Orlando, USA, February 2007.

The role of albumin in the critically ill. Society of Critical Care Medicine's 36th Critical Care Congress. Orlando, USA, February 2007.

Michael Fitzharris

Characteristics of fatal crashes involving drugs (including alcohol) in Victoria and associated contributory factors. Australasian Road Safety Research, Policing and Education Conference. Melbourne, Australia, October 2007.

Lower extremity risk and HARM associated with narrow offset frontal crashes. International Research Council on Biomechanics of Injury (IRCOBI) Conference. Maastricht, The Netherlands, September 2007.

Marlene Fransen

HIPAIID. Annual Scientific Meeting of the Australian Orthopaedic Association. Gold Coast, Australia, October 2007.

Hydrotherapy for osteoarthritis. Annual Scientific Meeting of the Australian Physiotherapy Association. Cairns, Australia, October 2007.

Martin Gallagher

Evaluation of patients starting dialysis without a permanent access in a single unit: scope for improvement. 43rd Annual Scientific Meeting of the Australian and New Zealand Society of Nephrology. Gold Coast, Australia, September 2007.

Significant improvements in rates of catheter related bacteraemia: a single centre experience. 43rd Annual Scientific Meeting of the Australian and New Zealand Society of Nephrology. Gold Coast, Australia, September 2007.

Nick Glozier

The effect of psychiatric co-morbidity upon return to work in young stroke survivors. Working Together for Mental Health: Partnerships for Policy and Practice. International Congress of the World Psychiatric Association. Melbourne, Australia, November 2007.

Patterns and predictors of depression and self-harm in young adults. XIX World Congress of the World Association for Social Psychiatry. Prague, Czech Republic, October 2007.

Stigma in health professionals. XIX World Congress of World Association for Social Psychiatry. Prague, Czech Republic, October 2007.

The course of psychological distress in young adults. XIX World Congress of World Association for Social Psychiatry. Prague, Czech Republic, October 2007.

Large scale multi-centre trials in sleep disorders: insomnia. Worldsleee07: The 5th World Congress of the World Federation of Sleep Research and Sleep Medicine Societies. Cairns, Australia, September 2007.
